Faith Knowledge Discipline

March 1, 2023

Dear Prospective Parents,

Assalamualaikum. Thank you for your interest in Darul Arqam School, we are looking forward to working with you and your child(ren) to complete the admission and registration process for the 2023 - 2024 school year. Attached you will find all the forms necessary to begin your process. However, if you should require further information, please do not hesitate to contact us at admin@darularqam.org.

We are as committed as you are in providing your child(ren) with the best academic and Islamic education. We hope you join our community where students learn to have **Faith**, acquire **Knowledge** and **Discipline**.

Being accredited through Cognia in January 2021 has helped us to further strength our academic program and our resolve to bring the best opportunities we can for your child to succeed.

If you have visited our Facebook page, you already know that our student body is engaged in many activities and in the creation of amazing presentations and work. We are also very excited about our the addition of the Dawa Club and Mizmar Al-Zahabi program which helps to lift the Quran recitation of students with guidance from the renowned Sheikh Ahmed Elsayed.

Our Elementary teachers are focused on providing individualized attention to our young learners through interactive and project-based lessons. Our **Hifz Program** currently has 9 students and along with the memorization of the Quran, they attend all academic subjects. The High School students are enrolled in a dual degree program through **Al-Manara Institute**, which allows them to earn an **Associate Degree** upon graduating and the annual Umrah trip helps them to connect with their faith and Allah before heading off to college.

By the grace of Allah, we are proud to take part in laying the foundations that have led and continue to lead our students towards success and we would love to do the same for your child(ren).

Respectfully,

Mareeya Agheem
